Our home is in Maeser, a quarter mile north of Uintah High School, and can be reached only from the west. (Righteous Lane is impassable.) From the intersection of 2500 W and 1000 N in Maeser, go east on 1000 N, turn right on 2050 W, left on 850 N, and left on 2000 W. The paved road ends at our house (921 N 2000 W), which has gold vinyl siding and black shutters. Travelers from Roosevelt can take US-40 E to the green "Maeser" sign near mile marker 141, turning left at the sign onto 2500 W northbound. -Boyd
